

GLLC 2024 Annual Meeting

September 9-10, 2024
Pier B Resort Hotel
Duluth, MN

TRAVEL SCHOLARSHIPS

A limited number of travel scholarships are available to GLLC members. If you are requesting a travel scholarship, please read the following information carefully.

- Priority for travel scholarships will be given to those GLLC members who currently serve on Caucus committees and/or task forces.
- Caucus members will be reimbursed for **up to \$1000 USD of their own actual travel and lodging expenses** related to attending the GLLC meeting. Reimbursement is subject to approval of qualified expenses (e.g., transportation-related costs, lodging, meals not provided during the meeting).
- Members may use their scholarships to cover lodging expenses for the nights of September 8, 9, and/or 10, depending on their travel requirements.
- To be eligible for reimbursement, **members must attend the entire business meeting on September 10** and any ancillary GLLC events for which they register to participate. Members are advised to make their travel plans accordingly to avoid receiving a prorated travel scholarship.
- After the meeting, requests for reimbursement must be received by CSG Midwest no later than **November 1, 2024**.

If you have any questions about travel scholarships, please contact **Jess Lienhardt** at 630.282.3077 or jlienhardt@csg.org.
